Dear Shareholder

Dialight plc – Annual General Meeting 2018

I am pleased to inform you that this year's Annual General Meeting ("Meeting" or "AGM") will be held at the offices of Investec Bank plc, 2 Gresham Street, London EC2V 7QP, on Tuesday, 17 April 2018 at 11:30am.

This document provides details of those items of business to be transacted at the AGM and includes the formal notice of the AGM (the "Notice"). Explanatory notes can be found from page 6 onwards. A location map is provided on the reverse of the form of proxy. Tea and coffee will be available from 11:00am onwards on the day. If you would like to vote on the resolutions in the Notice but cannot attend the Meeting, please complete the form of proxy and return it to the Company's Registrars, Equiniti, as soon as possible. Equiniti must receive the form of proxy by 11:30am on Friday, 13 April 2018 (or, in the event of any adjournment, 48 hours (excluding non-working days) before the time of the adjourned meeting). Alternatively, you can vote online at www.sharevote.co.uk or appoint a proxy or proxies through the CREST electronic proxy appointment service by using the procedures described in the CREST Manual (available via www.euroclear.com) by no later than 11:30am on Friday, 13 April 2018 (or, in the event of any adjournment, 48 hours (excluding non-working days) before the time of the adjourned meeting). For further information on the appointment of proxies please refer to the explanatory notes and the notes to the form of proxy.

After a promising 2016, 2017 was a challenging year for Dialight. While a great deal was achieved – including the launch of the new Area Light and High Bay products and the completion of platform re-engineering for existing product platforms – the transition to outsourced manufacturing significantly impacted our 2017 financial performance with raw material sourcing challenges resulting in a significant number of orders being unfulfilled. Our focus in 2018 remains on stabilising production to ensure that our manufacturing and delivery service levels support the undoubted quality of and demand for our products.

As a result of the challenges faced during 2017, Michael Sutsko stepped down as Group Chief Executive Officer and was replaced by Marty Rapp, a Non-Executive and Chair of the Remuneration Committee since his appointment in April 2016. The Board's decision to appoint Marty as Group Chief Executive Officer was fully considered. The Board was unanimous in its view that Marty's appointment is in the best interests of the Company given his considerable relevant manufacturing and technology experience, his knowledge of the Company and existing strong relationship with the Board and management, and his availability and willingness to start immediately without the need for a lengthy recruitment process and interim replacement. Marty will, as will the entire Board, stand for re-election at the AGM. Information regarding certain items of business to be transacted at the AGM can be found in the explanatory notes overleaf.

The Board's policy is to maintain a strong capital base in order to maintain customer, investor and creditor confidence and to sustain future development of the business. The Board is not proposing a final dividend payment for 2017 (2016: £nil). The Group has a clear capital allocation discipline and is committed to returning excess funds to shareholders via future dividends or share repurchase.

Documents available for inspection

Copies of all service agreements under which Directors of the Company are employed by the Company and a copy of the letters of appointment of the Non-Executive Directors of the Company will be available for inspection at the Company's registered office during normal business hours (Saturdays, Sundays and public holidays excepted) from the date of this Notice until the date of the AGM and at the place of the AGM for 15 minutes prior to and during the Meeting.

Recommendation

The Directors consider that all the resolutions to be put to the Meeting are in the best interests of the Company and its shareholders as a whole and are most likely to promote the success of the Company for the benefit of members as a whole. The Directors unanimously recommend that you vote in favour of all the proposed resolutions as they intend to do so in respect of their own interests (both beneficial and non-beneficial). If you have any questions regarding the AGM business please contact Equiniti by phone on 0371 384 2495. Lines are open from 8:30am to 5:30pm, Monday to Friday (excluding bank holidays). Non-UK callers can dial +44 (0)121 415 7047.

- (a) the maximum aggregate number of ordinary shares authorised to be purchased is 3,252,118 (representing approx. 10% of the issued share capital);
- (b) the minimum price which may be paid for an ordinary share is 1.89 pence;

NOTICE OF ANNUAL GENERAL MEETING CONTINUED

Explanatory notes to the resolutions

Resolutions 1 to 13 are proposed as ordinary resolutions. This means that for each of those resolutions to be passed, more than half of the votes cast must be in favour of the resolution. Resolutions 14 to 17 are proposed as special resolutions. This means that for each of those resolutions to be passed, at least three-quarters of the votes cast must be in favour of the resolution.

Resolution 1 – Annual Report and Accounts

The Directors will lay before the Meeting the audited Annual Report and Accounts for the financial year ended 31 December 2017, together with the Directors' report and the auditors' report on those accounts.

Resolution 2 – Annual report on remuneration

In accordance with Section 439A of the 2006 Companies Act, the remuneration policy is subject to a binding shareholder vote by ordinary resolution at least once every three years. Shareholder approval will be required if the Directors wish to change the policy within that three-year period. Full details of the remuneration policy are set out on pages 64 to 68 of the 2017 Annual Report and Accounts. There will not be a vote on the policy at this year's AGM as the policy was approved at the 2017 AGM and no changes are proposed.

Section 439 of the Companies 2006 Act requires that the annual report on remuneration is tabled for shareholder approval at each AGM. The annual report on remuneration is set out on pages 62 to 81 of the Company's 2017 Annual Report and Accounts.

Resolution 3 – Re-appointment of the auditor

The Company is required to appoint the auditor at each general meeting at which accounts are laid before the Company, to hold office until the conclusion of the next such meeting.

The Audit Committee has reviewed the effectiveness, independence and objectivity of the external auditor KPMG LLP, on behalf of the Board, which now proposes their re-appointment as the auditor of the Company.

Resolution 4 – To authorise the Directors to agree to the auditor's remuneration

This resolution authorises the Directors, in accordance with standard practice, to determine the remuneration of the auditor.

Resolutions 5 to 11 – Re-election of Directors

In accordance with the UK Corporate Governance Code (the "Code") and the Company's Articles of Association, all existing Directors who have served since the Company's AGM in 2017, will stand for re-election. The Board considers that, following a formal external performance evaluation, the performance of each Director on the Board at the date of this Notice continues to be effective and demonstrates the commitment required to continue in their present roles and accordingly supports each Director's re-election. Biographical details of all Directors can be found on page 45 of the 2017 Annual Report and Accounts and on the Company's website at www.dialight.com.

Resolution 12 – Political donations

Part 14 of the Companies Act 2006 prohibits the Company and its subsidiaries from, among other things, making political donations exceeding £5,000 in aggregate in any 12 month period or incurring political expenditure in respect of a political party or other political organisation or an independent election candidate unless authorised by the Company's shareholders. Neither the Company nor any of its subsidiaries has any intention of making any political donations or incurring any political expenditure. However, the Companies Act 2006 defines 'political party', 'political organisation', 'political donation' and 'political expenditure' widely. For example, bodies such as those concerned with policy review and law reform or with the representation of the business community or sections of it, which the Company and/or its subsidiaries may see benefit in supporting, may be caught. Accordingly, the Company wishes to ensure that neither it nor its subsidiaries inadvertently commits any breaches of the Companies Act 2006 through the undertaking of routine activities, which would not normally be considered to result in the making of political donations and political expenditure being incurred. As permitted under the Companies Act 2006, the resolution extends not only to the Company but also covers all companies that are subsidiaries of the Company at any time the authority is in place. The resolution reflects the three categories covered by the rules and authorises the Company and its subsidiaries to:

- (a) make political donations to political parties and/or independent election candidates not exceeding £10,000 in total;
- (b) make political donations to political organisations other than political parties not exceeding £10,000 in total; and
- (c) incur political expenditure not exceeding £10,000 in total, in the period up to the Company's next AGM or up to and including 30 June 2019, whichever is the earlier.

As required by the Companies Act 2006, the resolution is in general terms and does not purport to authorise particular donations.

Neither the Company nor any of its subsidiaries has any intention of making any political donations or incurring any political expenditure at this time.

Resolution 13 – Authority to allot shares

This resolution is divided into two parts. Paragraph (a) of the resolution would give the Directors the authority to allot ordinary shares up to an aggregate nominal amount equal to £204,883 (representing a maximum of 10,840,393 ordinary shares). This amount represents approximately one-third of the issued share capital of the Company as at 15 February 2018, the latest practicable date prior to publication of the Notice.

In line with guidance issued by the Investment Association ("IA"), paragraph (b) of the resolution would give the Directors authority to allot ordinary shares in connection with a rights issue in favour of ordinary shareholders up to an aggregate nominal amount equal to £409,767 (representing a maximum of 21,680,786 ordinary shares), as reduced by the nominal amount of any ordinary shares issued under paragraph (a) of the resolution. This amount (before any reduction) represents approximately two-thirds of the issued share capital of the Company as at 15 February 2018, the latest practicable date prior to publication of the Notice.

The authorities sought under paragraphs (a) and (b) of the resolution will expire at the earlier of the conclusion of the AGM of the Company held in 2019 or 30 June 2019 (the last date by which the Company must hold an AGM in 2019).

The Directors have no present intention to exercise either of the authorities sought under the resolution, except, if necessary under paragraph (a), to satisfy the exercise of options or awards granted under existing share schemes.

However, the authority gives the Directors the flexibility to take advantage of business opportunities as they arise. If they do exercise the authorities, the Directors intend to follow IA recommendations concerning their use (including as regards the Directors standing for re-election in certain cases).

As at the date of the Notice, no ordinary shares are held by the Company in treasury.

Resolution 14 and 15 – Disapplication of pre-emption rights

Resolutions 14 and 15 will be proposed as special resolutions, each of which requires a 75% majority of the votes to be cast in favour. They would give the Directors the power to allot ordinary shares (or sell any ordinary shares which the Company holds in treasury) for cash without first offering them to existing shareholders in proportion to their existing shareholdings.

The power set out in resolution 14 would be, similar to previous years, limited to: (a) allotments or sales in connection with pre-emptive offers and offers to holders of other equity securities if required by the rights of those shares; or (b) as the Board otherwise considers necessary, or otherwise up to an aggregate nominal amount of £30,733 (representing 1,626,059 ordinary shares). This aggregate nominal amount represents approximately 5% of the issued share capital of the Company (excluding treasury shares) as at 15 February 2018, the latest practicable date prior to publication of this Notice.

In respect of the power under resolution 14(b), the Directors confirm their intention to follow the provisions of the Pre-Emption Group's Statement of Principles regarding cumulative usage of authorities within a rolling three-year period where the Principles provide that usage in excess of 7.5% of the issued share capital of the Company (excluding treasury shares) should not take place without prior consultation with shareholders.

The power set out in resolution 15 would be limited to allotments or sales of up to an aggregate nominal amount of £30,733 (representing 1,626,059 ordinary shares) in addition to the power set out in resolution 14. This aggregate nominal amount represents an additional 5% of the issued share capital of the Company (excluding treasury shares) as at 15 February 2018, the latest practicable date prior to publication of this Notice.

NOTICE OF ANNUAL GENERAL MEETING CONTINUED

In respect of the power under resolution 15, the Board confirms that it will only allot shares representing more than 5% of the issued share capital of the Company (excluding treasury shares), for cash pursuant to the power granted by resolution 15, where that allotment is for the purposes of financing (or refinancing, if the authority is to be used within six months after the original transaction) a transaction which the Board determines to be an acquisition or other capital investment within the meaning given in the Pre-emption Group's Statement of Principles on Disapplying Pre-emption Rights and which is announced contemporaneously with the allotment, or which has taken place in the preceding six-month period and is disclosed in the announcement of the allotment.

The powers under resolutions 14 and 15 will expire at the earlier of 30 June 2019 or at the conclusion of the AGM of the Company held in 2019.

Resolution 16 – Purchase of own shares

This resolution would give authority for the Company to purchase up to 3,252,118 of its ordinary shares, representing approximately 10% of the Company's issued share capital. The resolution specifies the minimum and maximum prices for any ordinary shares purchased under the authority. If granted, the authority will expire at the earlier of the conclusion of the AGM of the Company held in 2019 or 30 June 2019 (the last date by which the Company must hold an AGM in 2019).

The Directors will determine whether any ordinary shares acquired pursuant to this authority are to be cancelled or held in treasury at the time that they resolve to exercise the authority. As at 15 February 2018, the latest practicable date prior to publication of the Notice, the total number of awards outstanding under Group share plans was 512,420 which represents 1.58% of the issued shares at that time and would represent 1.75% of the issued share capital if the Directors used the existing authority to purchase shares.

The Directors are of the opinion that this authority, if renewed, will continue to give them greater flexibility to manage the issued share capital of the Company for the benefit of the shareholders and would only use this authority if it is for the benefit of the shareholders as a whole and could be expected to result in an increase in the earnings per share of the Company.

The Directors have no present intention of exercising the authority conferred by this resolution.

Resolution 17 – Notice of general meetings

A general meeting other than an Annual General Meeting may be called on not less than 14 clear days' notice. The approval will be effective until the Company's next AGM, when it is intended that a similar resolution will be proposed.

EXPLANATORY NOTES TO THE NOTICE

1. Entitlement to attend and vote: To be entitled to attend and vote at the AGM (and for the purpose of the determination by the Company of the votes they may cast), shareholders must be registered in the Register of Members of the Company at 6:30pm on 13 April 2018 (or, in the event of any adjournment, 6:30pm on the date which is two working days before the time of the adjourned meeting). Changes to the Register of Members after the relevant deadline shall be disregarded in determining the rights of any person to attend and vote at the AGM. If you wish to attend the Meeting in person, please bring this Notice with you to the Meeting.
2. Under section 338 and section 338A of the Companies Act 2006, members meeting the threshold requirements in those sections have the right to require the Company (i) to give, to members of the Company entitled to receive notice of the Meeting, notice of a resolution which may properly be moved and is intended to be moved at the Meeting and/or (ii) to include in the business to be dealt with at the Meeting any matter (other than a proposed resolution) which may be properly included in the business. A resolution may properly be moved or a matter may properly be included in the business unless (a) (in the case of a resolution only) it would, if passed, be ineffective (whether by reason of inconsistency with any enactment or the Company's constitution or otherwise), (b) it is defamatory of any person, or (c) it is frivolous or vexatious. Such a request may be in hard copy form or in electronic form, must identify the resolution of which notice is to be given or the matter to be included in the business, must be authorised by the person or persons making it, must be received by the Company not later than 3 March 2018, being the date six clear weeks before the Meeting, and (in the case of a matter to be included in the business only) must be accompanied by a statement setting out the grounds for the request.
3. Appointing proxies: If you meet the criteria set out in note 1 above, you are entitled to appoint a proxy to exercise all or any of your rights to attend, speak and vote at the AGM and you should have received a form of proxy with this Notice. A proxy need not be a shareholder of the Company. You can only appoint a proxy using the procedures set out in these notes and the notes to the form of proxy. You may appoint more than one proxy in relation to the AGM provided that each proxy is appointed to exercise the rights attached to a different share(s) held by that shareholder. You may not appoint more than one proxy to exercise rights attached to any one share. If you do not have a form of proxy and believe that you should have one, or if you require additional forms, please contact the Company's Registrars, Equiniti Limited, at Aspect House, Spencer Road, Lancing, West Sussex BN99 6DA or by telephone on 0371 384 2495 (for callers calling from the UK) or +44 (0)121 415 7047 (for those calling from overseas). Lines are open between 8:30am and 5:30pm, Monday to Friday. The return of a completed form of proxy, other such instrument or any CREST Proxy Instruction (as described in paragraph 5 below), will not prevent a shareholder attending the AGM and voting in person if he/she wishes to do so; however, this shall automatically terminate your proxy appointment. Should you wish to change your proxy instructions simply submit a new proxy appointment using the methods set out above with the relevant timeframe. Should you need a further hard copy form of proxy to be able to do this, please contact the Company's Registrars whose details appear above. You may also terminate a proxy appointment by informing the Company's Registrars prior to the relevant deadline for appointing proxies as detailed below.
4. Deadline for appointing proxies: To be valid, any form of proxy or other instrument appointing a proxy must be received by post or (during normal business hours only) by hand at Equiniti Limited, Aspect House, Spencer Road, Lancing, West Sussex BN99 6DA in each case no later than 11:30am on 13 April 2018 (or, in the event of any adjournment, 48 hours (excluding non-working days) before the time of the adjourned meeting). Shareholders who would prefer to register the appointment of their proxy electronically via the internet can do so through the Sharevote website, www.sharevote.co.uk, using their Personal Authentication Reference Number (this is the series of numbers printed under the headings Voting ID, Task ID and Shareholder Reference Number on the form of proxy) by no later than 11:30am on 13 April 2018 (or, in the event of any adjournment, 48 hours (excluding non-working days) before the time of the adjourned meeting). Full details and instructions on these electronic proxy facilities are given on the website. Any electronic communication sent by a shareholder to the Company or to the Registrars which is found to contain a computer virus will not be accepted. If you submit more than one valid proxy instruction, the appointment received last before the latest time for receipt will take precedence.
5. Nominated Persons: Any person to whom this Notice is sent who is a person nominated under Section 146 of the Companies Act 2006 to enjoy information rights ("Nominated Person") may, under an agreement between them and the shareholder who nominated them, have a right to be appointed (or to have someone else appointed) as a proxy for the AGM. If a Nominated Person has no such proxy appointment right or does not wish to exercise it, they may, under any such agreement, have a right to give instructions to the shareholder as to the exercise of voting rights. The statement of the rights of shareholders in relation to the appointment of proxies in paragraphs 3 and 4 above does not apply to Nominated Persons. The rights described in these paragraphs can only be exercised by shareholders of the Company.
6. Appointment of proxies through CREST: CREST members who wish to appoint a proxy or proxies through the CREST electronic proxy appointment service may do so by using the procedures described in the CREST Manual (available via www.euroclear).

NOTICE OF ANNUAL GENERAL MEETING CONTINUED

com). CREST Personal Members or other CREST sponsored members, and those CREST members who have appointed a service provider(s), should refer to their CREST sponsor or voting service provider(s), who will be able to take the appropriate action on their behalf.

In order for a proxy appointment or instruction made using the CREST service to be valid, the appropriate CREST message ("CREST Proxy Instruction") must be properly authenticated in accordance with Euroclear UK & Ireland Limited's ("EUI") specifications and must contain the information required for such instruction, as described in the CREST Manual (available via www.euroclear.com). The message, regardless of whether it constitutes the appointment of a proxy or is an amendment to the instruction given to a previously appointed proxy, must in order to be valid be transmitted so as to be received by the issuer's agent (ID RA19) by 11:30am on 13 April 2018 (or, in the event of any adjournment, 48 hours (excluding non-working days) before the time of the adjourned meeting). For this purpose, the time of receipt will be taken to be the time (as determined by the time stamp applied to the message by the CREST Application Host) from which the issuer's agent is able to retrieve the message by enquiry to CREST in the manner prescribed by CREST. After this time any change of instructions to proxies appointed through CREST should be communicated to the appointee through other means.

CREST members and, where applicable, their CREST sponsors or voting service providers should note that EUI does not make available special procedures in CREST for any particular message. Normal system timings and limitations will, therefore, apply in relation to the input of CREST Proxy Instructions. It is the responsibility of the CREST member concerned to take (or, if the CREST member is a CREST Personal Member, or sponsored member, or has appointed a voting service provider, to procure that his CREST sponsor or voting service provider(s) take(s) such action as shall be necessary to ensure that a message is transmitted by means of the CREST system by any particular time. In this connection, CREST members and, where applicable, their CREST sponsors or voting system providers are referred, in particular, to those sections of the CREST Manual concerning practical limitations of the CREST system and timings. The Company may treat as invalid a CREST Proxy Instruction in the circumstances set out in Regulation 35(5)(a) of the Uncertificated Securities Regulations 2001.
